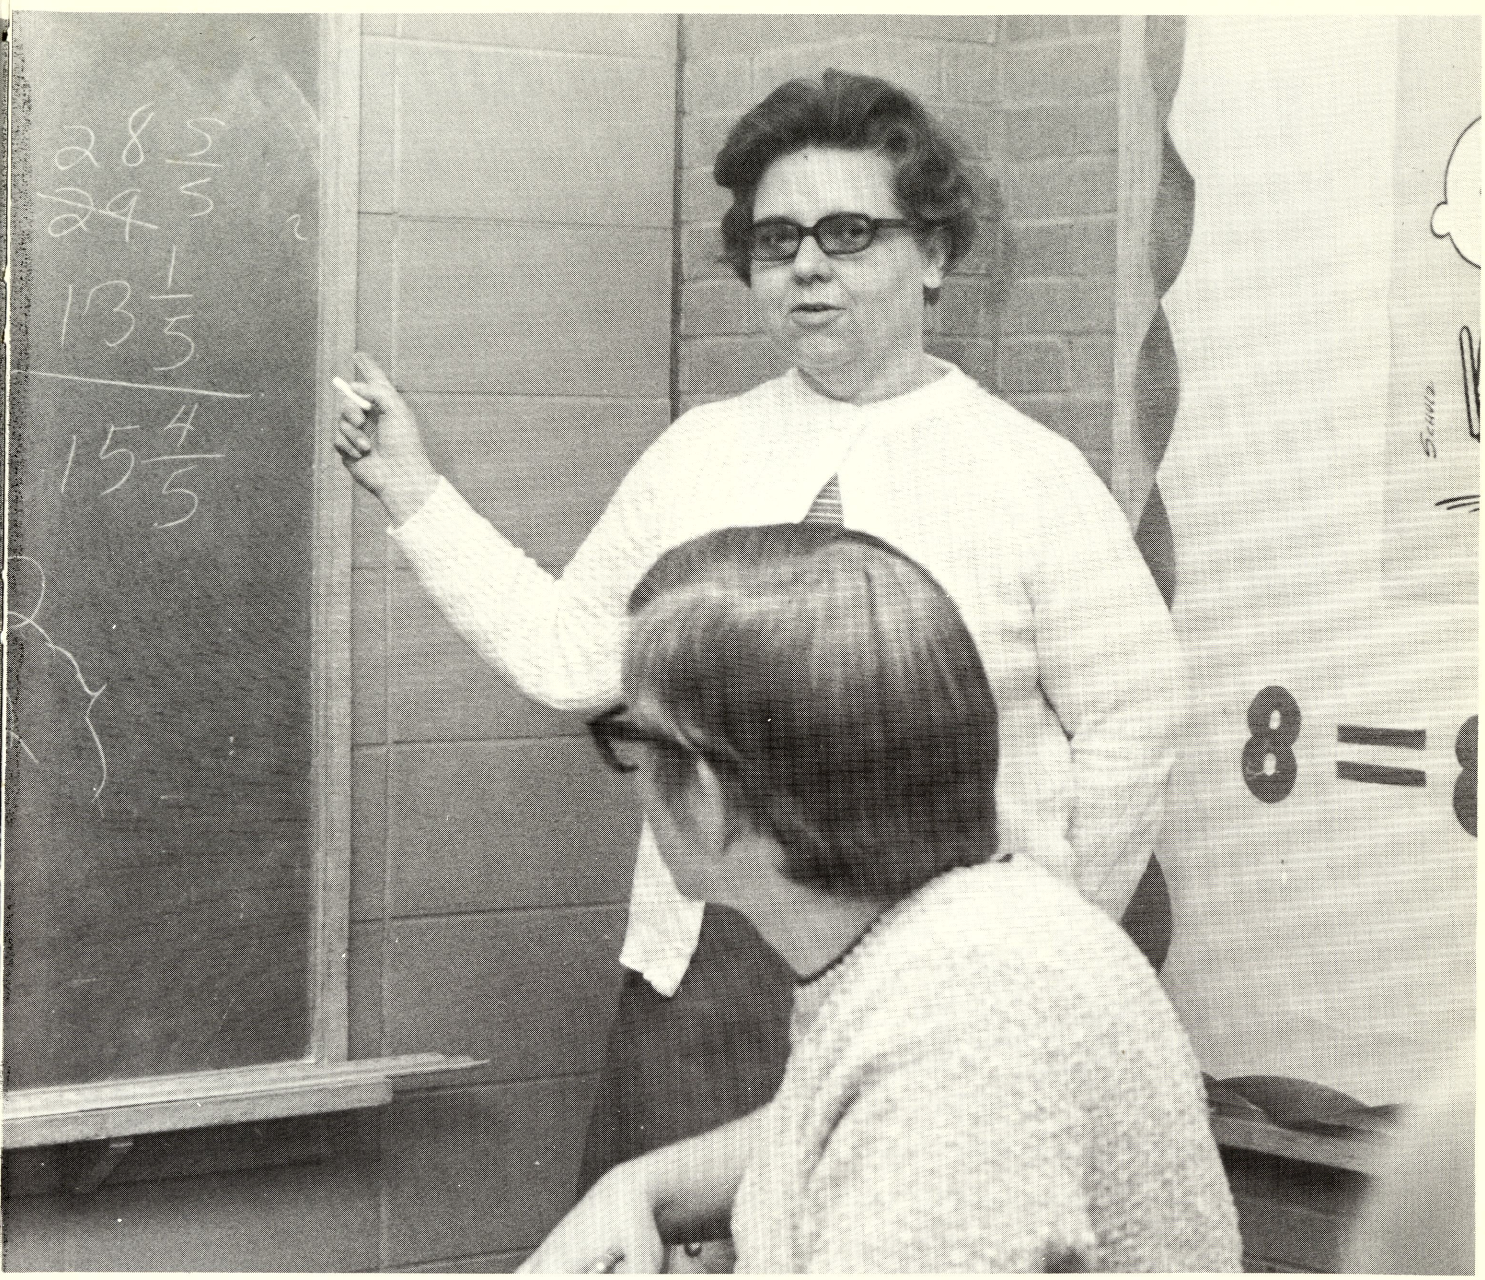
MRS. HENSLER



The Swan Valley School District has dedicated this 1970-71 Panther Yearbook to a teacher who has been striving for the past few years to help the students understand the intricate world of mathematics. MRS. HENSLER, a ninth grade math teacher, has been a member of the Swan Valley faculty for seven years. During that time, she has given unselfishly of her time as advisor to the Panther Press and in the past to the Latin Club.

Although a busy wife and mother of six children, Mrs. Hensler always finds time to help individual students who are having difficulty. She has also accepted positions of responsibility on faculty committees and in the Swan Valley Education Association.

We sincerely hope Mrs. Hensler will remain in the Swan Valley Schools for many additional years.
